

Vision Help International Care Foundation's (VHICF) residential child care centers in Antipolo and Morong, named *House of Hope* (HoH) and *Village of Hope* (VoH) respectively, with its Daycare and Pre-School Center in Tondo, Manila, stand together with the local governmental organization, the Department of Social Welfare and Development (DSWD), to help provide care, shelter and nutrition for the abandoned, neglected and orphaned children of Manila.

Manila, the capital city of the Philippines, a multi-million metropolis housing both the rich and the famous as well as millions of the poorest of the poor. Amidst skyscrapers, magnificent shopping malls and entertainment districts, Manila is also a city with unprecedented poverty with millions of children going hungry and many dying of starvation and sickness.

Poor families struggle to even find the most basic needs to survive while searching the streets or garbage dumps for food and reusable items. Aside from this, countless abandon their children to the streets and garbage dumps where they roam. At times, often as a result of having been violated, mothers leave their newborn babies at hospital floors or even hire "special midwives" to kill them. Others are sold to syndicates and human trafficking groups.

And this has been at the center of our mission focus for many years now.

With this, we are very thankful for your interest and heart in supporting our cause of saving, changing and rebuilding lives of precious children who come to us in our centers.

GENERAL INFORMATION ABOUT CHILD SPONSORSHIP

The minimum care and supply already cost 140 € every month. This covers the costs for food, accommodation, and daily care in our Village of Hope and House of Hope on a monthly basis. On top of this, there are costs for clothes and medicine, as needed, which are not mentioned and calculated here because we cover these costs with general and additional donations.

THE ADDITIONAL COSTS PER CHILD A MONTH FOR AN EDUCATIONAL SPONSORSHIP

There is no free education in the Philippines. For every child who wants to go to school, school fees, school clothes and school materials have to be paid for. Of course, we want all our children in our centers to be able to go to school. Therefore, it is a big concern for us to make this possible for each of them. For this, we need 35€ per child per month for kids who are in Tondo while another 70€ for kids who live and study in our own school in Village of Hope where we have our own teachers and facilities.

Sponsors can decide to what extent they want to support their godchild:

- **Full sponsorship for House of Hope Kids:** 140€ per month (each child has only one sponsor)
- **Full sponsorship for Village of Hope Kids and Youth:** 210€ per month
 - This is the sum of the minimum care and supply cost of the kids in Village of Hope (140€) and their education cost (70€). With this full sponsorship, each child would then have only one sponsor.
- **Partial sponsorship for House of Hope and Village of Hope Kids & Youth:** 35€ per month (each child has a min. of 6 sponsors)
- **Educational sponsorship for Cebu & Tondo Kids:** 35€ per month (each child has one school sponsor)
- **Educational sponsorship for VoH Kids:** 70€ per month (each child has a minimum of one school sponsor)
